1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Tega Cay Water Service.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am protesting the proposed rate increase for the customers of Tega Cay Water Service. I would also like to protest how our water is barely safe enough to drink (thanks to high LEAD contamination). How about they fix the water supply before they gouge us for more money? I already pay between 60-70 dollars per month for a family of two adults, two children. My bill would soar closer to 100 dollars with the proposed increase. That is insane and shouldn't be allowed! The cost is already high compared to what others pay in surrounding cities. Please do not approve this rate increase.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

No.
